K. KAMARAJ
CHIEF MINISTER OF MADRAS

1136(1)

FORT ST. GEORGE
MADRAS

December 5, 1957.

CONFIDENTIAL

My dear Nijalingappa,

I thank you for your letters CM.3662/E dated 27-11-57 and CM.3714 dated 26/30-11-1957.

I have gone through the memoranda sent by you on the border question. Talawadi Firka is after all a small forest area with about 250 sq. miles and with scanty population. That being the case, it need not now be given undue importance. I propose to visit this place shortly. I will ascertain from the people of that place whether they have any special grivances or problems. If they want anything to be done, I shall certainly attend to them.

Regarding the Hosur Taluk, the Member of the Legislative Assembly from that Firka referred to by you, tried his best to have the Taluk transferred to Andhra. Having failed in that attempt he is probably now trying for its inclusion in the Mysore State. Importance need not be attached to his suggestions.

As the border issues have been settled and everything is peaceful and quiet, I think it is advisable not to raise any of these matters just now. I am sure you would appreciate my point of view.

As regards the pay scales of the N.G.Os, I have been trying to contact Sri N. Sanjeeva Reddy. I understand he is away from Hyderabad on tour. After talking to him, I shall let you know whether we should all meet informally to discuss this question.

With kind regards,

Yours sincerely,

K Kamaraj

Chief Minister of Mysore State,
